Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 512128.

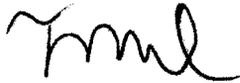

The Beaumont Police Department (the "department") received a request for information on all automotive accidents on a specified date. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 550.065(b) of the Transportation Code. Section 550.065(b) states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. You claim the submitted information is subject to section 550.065 of the Transportation Code. Section 550.065 applies only to accident report forms completed pursuant to chapter 550 or section 601.004 of the Transportation Code. *See id.*; *see also id.* § 550.064 (discussing information required in accident report form). Upon review, we find the submitted information consists of a computer query for all accidents on the specified date that was not completed pursuant to chapter 550 or section 601.004 of the Transportation Code. Therefore, the submitted information is not subject to section 550.065 of the Transportation Code and may not be withheld under section 552.101 on that basis. As you raise no further exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
