OR2014-01730

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 512434.

The Mesquite Police Department (the "department") received a request for a specified offense report. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise,

concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Juvenile law enforcement records relating to delinquent conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c). *See id.* § 51.03 (defining “delinquent conduct”). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the incident. *See id.* § 51.02(2). You state the submitted information involves a juvenile engaged in delinquent conduct that occurred after September 1, 1997. However, we are unable to determine the age of the offender at issue. Accordingly, we must rule conditionally. It does not appear any of the exceptions to confidentiality under section 58.007 apply in this instance. Thus, to the extent the offender at issue was ten years of age or older and under seventeen years of age at the time of the conduct at issue, the submitted information is confidential under section 58.007(c) of the Family Code and must be withheld in its entirety under section 552.101 of the Government Code. However, to the extent the offender at issue was not ten years of age or older and under seventeen years of age at the time of the conduct at issue, the submitted information is not confidential pursuant to section 58.007(c) and may not be withheld under section 552.101 of the Government Code on that basis. In that instance, as you raise no further exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
