Dear Ms. Camp-Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 513986.

The City of Round Rock (the "city") received a request for a specified police report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 58.007 of the Family Code. Under section 58.007(c), juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997 are confidential. *See* Fam. Code § 51.03(a), (b) (defining "delinquent conduct" and "conduct indicating a need for supervision"). Section 58.007 provides, in relevant part, the following:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access the electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under [the Act] or other law.

Id. § 58.007(c), (e), (j). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Upon review, we find the submitted information involves alleged juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. As such, this information constitutes a juvenile law enforcement record that is generally confidential under section 58.007(c). We note, and you acknowledge, the requestor in this instance is a parent of one of the juvenile suspects in the report at issue and has a right to inspect or copy law enforcement records concerning his child. *See id.* § 58.007(e). Section 58.007(j)(1) provides any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted. *Id.* § 58.007(j)(1). Accordingly, the city must withhold the information we have marked under

section 552.101 of the Government Code in conjunction with section 58.007(j)(1) of the Family Code. The city must release the remaining information to this requestor.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
