

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

February 24, 2014

Mr. JD Lambright  
County Attorney  
Montgomery County  
501 North Thompson, Suite 102  
Conroe, Texas 77301

OR2014-03337

Dear Mr. Lambright:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 514847.

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for a specified police report. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides:

- (a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted sheriff's office report relates to credit card abuse, and the requestor is listed as one of the victims. Moreover, the report is related to an offense that occurred after September 1, 2005. Therefore, the submitted information is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, except to the extent the information is confidential. Crim. Proc. Code art. 2.29(b). Although you seek to withhold this report under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, the sheriff's office may not withhold the submitted information under section 552.108 of the Government Code. However, you raise section 552.101 of the Government Code for portions of the submitted information. Additionally, we note portions of the submitted information are subject to sections 552.130 and 552.137 of the Government Code.<sup>1</sup> Because sections 552.101, 552.130, and 552.137 are confidentiality provisions, we will address the applicability of these exceptions to the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To

<sup>1</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has also found personal financial information not relating to the financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision Nos. 600 (1992), 545 (1990). Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have not demonstrated how any of the remaining information is highly intimate or embarrassing and not of legitimate public concern. Thus, the remaining information may not be withheld under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Accordingly, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.<sup>2</sup>

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See id.* § 552.137(a)-(c). The e-mail address at issue is not excluded by subsection (c). Therefore, the sheriff's office must withhold the personal e-mail address we have marked under section 552.137 of the Government Code, unless the owner affirmatively consents to its public disclosure.<sup>3</sup>

In summary, the sheriff's office must withhold (1) the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy; (2) the motor vehicle record information we have marked under section 552.130 of the Government Code; (3) and the personal e-mail address we have marked under section 552.137 of the Government Code, unless the owner affirmatively consents to its public disclosure. <sup>2</sup>We note section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

<sup>3</sup>We note Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold certain information, including an e-mail address of a member of the public under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision.

remaining information must be released pursuant to article 2.29 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
