Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 516454 (SO-13-121).

The Texas A&M University System (the "system") received a request for any and all reports, memoranda or correspondence pertaining to the findings of an audit of the system's communication staff. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for the required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body[.]" unless it is excepted by section 552.108 of the Government Code or "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(1). The submitted information consists of a completed report made for the system that is subject to section 552.022(a)(1) and must be released unless it is either excepted under section 552.108 of the Government Code or is confidential under the Act or other law. You do not claim section 552.108. Although you assert this information is excepted from disclosure under the deliberative process privilege encompassed by section 552.111 of the Government Code, this section is discretionary and does not make information confidential under the Act. *See* Open Records Decision Nos. 665

at 2 n.5 (2000) (discretionary exceptions generally), 470 at 7 (1987) (governmental body may waive statutory predecessor to section 552.111 deliberative process). Therefore, the system may not withhold the submitted information under section 552.111. As you raise no further exceptions against the disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
