Ms. Ana Vieira  
Office of General Counsel  
The University of Texas System  
201 West Seventh Street  
Austin, Texas 78701

OR2014-04319

Dear Ms. Vieira:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 516772 (OGC# 153617 and 514215).

The University of Texas System (the "system") received two requests for information pertaining to a specified board of regents meeting and the employment of a named employee. You state pursuant to the previous determination in Open Records Decision No. 684 (2009) you will redact e-mail addresses subject to section 552.137 of the Government Code.<sup>1</sup> You further state the system will release some information to the requestors. You claim the submitted information is excepted from disclosure under sections 552.107 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note some of the submitted information, which we have marked, is not responsive to the first request because it pertains to information that was created after the date of the request. This ruling does not address the public availability of any information

---

<sup>1</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including e-mail addresses of members of the public under section 552.137, without the necessity of requesting an attorney general decision.

<sup>2</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

that is not responsive to the request and the university is not required to release such information in response to this request.

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov’t Code § 552.111. This exception encompasses the deliberative process privilege. See Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. See *Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615 (1993), this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined that section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. See ORD 615 at 5. A governmental body’s policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body’s policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body’s policy mission. See Open Records Decision No. 631 at 3 (1995). Additionally, section 552.111 does not generally except from disclosure purely factual information that is severable from the opinion portions of internal memoranda. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); ORD 615 at 4-5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982).

You state the submitted responsive information consists of advice, recommendations, and opinions between and among system employees and officials regarding policy matters. You further state the information at issue contains the deliberative process by which system employees and officials recommend changes involving policy issues. Upon review, we find the system may withhold the submitted responsive information under section 552.111 of the Government Code.<sup>3</sup>

<sup>3</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
