March 18, 2014

Mr. Jose Hernandez
Records Supervisor
Edinburg Police Department
1702 South Closner Boulevard
Edinburg, Texas 78539

OR2014-04501

Dear Mr. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 518348 (Ref. ID# 60591).

The Edinburg Police Department (the "department") received a request for a specified incident report. You claim portions of the requested information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. See Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the remaining information you have marked would interfere with a pending criminal prosecution. Based on your representation and our review, we conclude section 552.108(a)(1) is generally applicable to this information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page offense and arrest information held to be public in *Houston Chronicle* and includes a detailed description of the offense. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department must release basic offense and arrest information, including a detailed description of the offense from the narrative portion of the police report, even if the information does not literally appear on the front page of the report. The department may withhold the rest of the information you have marked under section 552.108(a)(1) of the Government Code.

In summary, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of basic information, including a detailed description of the offense from the narrative portion of the police report, the department may withhold the remaining information you have marked under section 552.108(a)(1) of the Government Code. The remaining information must be released.¹

¹We note the requestor has a right of access to some information being released pursuant to section 552.023 of the Government Code. *See* Gov’t Code § 552.023(a) (“[a] person or a person’s authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Section 552.130(c) of the Government Code authorizes a governmental body to redact information protected by section 552.130(a)(1) without the necessity of requesting a decision under the Act. *See* Gov’t Code § 552.130(c). Therefore, if the department receives another request for the same information from a person who would not have a right of access to the present requestor’s private information, section 552.130(c) authorizes the department to redact this requestor’s driver’s license information without requesting another ruling.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Tamara H. Holland
