

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 8, 2014

Mr. John K. McKinney, Jr.
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 102
Conroe, Texas 77301

OR2014-05777

Dear Mr. McKinney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 520896 (County Open Records Request File No. 14PIA00058).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for a specified case. The sheriff's office states it has released some of the requested information, but claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." You do not cite to any specific law, and we are not aware of any, that makes any portion of the submitted information confidential under section 552.101. *See* Open Records Decision No. 478 at 2 (1987) (statutory confidentiality requires express language making information confidential or stating information shall not be released to public). Therefore, we conclude the sheriff's office may not withhold any portion of the submitted information under section 552.101 of the Government Code.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the

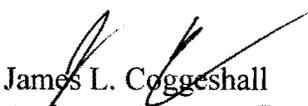

release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the requested information relates to a pending criminal investigation. Based on this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. Thus, with the exception of the basic front-page offense and arrest information, which you state the sheriff's office has released, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
