Dear Mr. Krienke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 519400.

The Graham Hospital District d/b/a Graham Regional Medical Center (the "center"), which you represent, received a request for its 2013 balance sheet, profit and loss statement, source and use of funds statement, comparative budget statement, and its 2014 budget and projected source and use of funds statement. You state the center has released some of the information to the requestor. You also state the center does not have responsive source and use of funds statements.¹ You claim the remaining requested information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This section encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dism'd); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990). In Open Records Decision No. 615, this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications consisting of advice, recommendations, and opinions reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass internal administrative or personnel matters, and disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). However, a governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982). When determining if an interagency memorandum is excepted from disclosure under section 552.111, we must consider whether the agencies between which the memorandum is passed share a privity of interest or common deliberative process with regard to the policy matter at issue. *See* Open Records Decision No. 561 at 9 (1990).

This office has also concluded a preliminary draft of a policymaking document that is intended for release in final form is excepted from disclosure in its entirety under section 552.111 because such a draft necessarily represents the advice, recommendations, or opinions of the drafter as to the form and content of the final document. *See* Open Records Decision No. 559 at 2 (1990). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You state the submitted information consists of the center's draft budget. You explain this information "is a working document which goes through numerous revisions at different levels of [the center's] administration until it is approved by the Board of Directors at a public meeting." You state the board of directors has not approved the 2014 budget. However, you state the budget will be released in its final form. Based on your arguments

and our review, we agree the submitted information consists of the advice, opinions, or recommendations of the center's employees and officials regarding policymaking matters, and the center may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
