Dear Ms. Cost:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 520125 (Department PIR# 14-0403).

The Texas Department of Public Safety (the "department") received a request for the City of Galveston's application for buyout funds, a list of houses purchased through the buyout, and the review and report the department made regarding the buyout. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 552a of title 5 of the United States Code, also known as the Federal Privacy Act. We note that this office has stated in numerous opinions that information in the possession of a governmental body of the State of Texas is not confidential or excepted from disclosure merely because the same information is or would be confidential in the hands of a federal agency. *See, e.g.*, Attorney General Opinion MW-95 (1979) (concluding that neither the federal Freedom of Information Act nor the federal Privacy Act applies to records held by state or local governmental bodies in Texas). However, this office has also held that section 552.101 requires a local governmental entity that has obtained information from a federal agency to respect

confidentiality imposed on the information by federal law. *See* Open Records Decision No. 561 (1990).

The Privacy Act provides in part “[n]o [federal] agency shall disclose any record which is contained in a system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure would be” allowed by one of twelve enumerated exceptions. 5 U.S.C. § 552a(b).

You state the information at issue pertains to the Galveston County Hazard Mitigation Grant Program (the “HMGP”), which is a federal benefit program. You state that the department has an agreement with the Federal Emergency Management Agency (“FEMA”) to administer the HMGP. You explain the department received and maintains the submitted information due to its participation in the HMGP, and pursuant to your agreement with FEMA, the department is required to maintain the privacy of this information pursuant to the Privacy Act. We therefore find that the submitted information is confidential pursuant to the Privacy Act. Release of the submitted information in response to the present request would not be a release in accordance with the exceptions to the Privacy Act. Therefore, the submitted information must be withheld under section 552.101 of the Government Code in conjunction with federal law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Joseph Behnke
