

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

April 16, 2014

Mr. David F. Brown  
Counsel for the Texas Windstorm Insurance Association  
Ewell Brown Blanke  
111 Congress Avenue, 28<sup>th</sup> Floor  
Austin, Texas 78701

OR2014-06312

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 520134 (TWIA ID# 000193).

The Texas Windstorm Insurance Association (the "association"), which you represent, received a request for all documents relating to specified claims for damages caused by or attributed to Hurricane Ike by the City of League City. You state the association has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.103, 552.107, and 552.111 of the Government Code.<sup>1</sup> We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.103 of the Government Code provides, in relevant part:

---

<sup>1</sup>Although you raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

<sup>2</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) applies in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the requested information is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

You argue the submitted information is related to pending litigation to which the association is a party. You inform us, and have provided documentation demonstrating, litigation styled *League City v. Texas Windstorm Insurance Association*, Cause No. 12-CV-0053, is pending in the District Court of Galveston County, 10th Judicial District. You state the submitted information is related to the pending lawsuit. Based on your representations, the submitted documentation, and our review of the information, we find litigation was pending when the association received this request for information and the information at issue is related to the pending litigation for the purposes of section 552.103. Therefore, the association may withhold the submitted information under section 552.103 of the Government Code.<sup>3</sup>

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the active litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320

---

<sup>3</sup>As our ruling is dispositive, we need not address your remaining arguments against disclosure for this information.

(1982). We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
