Mr. Darrell G-M Noga
Counsel for the City of Coppell

OR2014-06682

Dear Mr. Noga:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 525282 (City ID# W000626-031814).

The City of Coppell (the "city"), which you represent, received a request for the investigation file regarding a specified incident. You inform us you have released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 crash report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public

under the general exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the city must release this report in its entirety to the requestor.

We also note the submitted information includes a court document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). We have marked the document that is subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, as noted above, this section is a discretionary exception and does not make information confidential under the Act. *See* Gov't Code. § 552.007; Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). As such section 552.108 does not make information confidential for the purposes of section 552.022. Accordingly, the court document may not be withheld under section 552.108. However, because section 552.130 of the Government Code makes information confidential for purposes of 552.022, we will address the applicability of this section to the information subject to section 552.022. We will also consider your argument under section 552.108 for the information that is not subject to section 552.022(a)(17) of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note the remaining information includes a citation. Because a copy of the citation has been provided to the individual who was cited, we find release of the citation will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Therefore, the city may not withhold the citation under section 552.108(a)(1). You state the remaining information relates to a pending criminal investigation and prosecution. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is generally applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See Houston Chronicle*, 531 S.W.2d at 186-88. The city must release basic information, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*).

Thus, with the exception of the citation and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

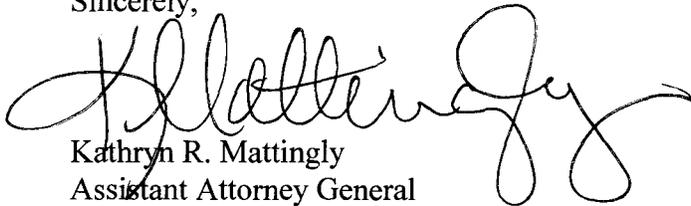

The citation and the court document contain information subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). The city must withhold the information we have marked in the court document and the citation under section 552.130 of the Government Code.¹

In summary, the city must release the submitted CR-3 accident report under section 550.065(c) of the Transportation Code. The city must release the marked court document pursuant to section 552.022(a)(17) of the Government Code. With the exception of the citation and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the court document and the citation, the city must withhold the information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
