

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 25, 2014

Ms. Amy L. Sims
Assistant City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2014-06905

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 520693.

The City of Lubbock (the "city") received a request for the winning proposal for a specified request for proposals. Although you take no position as to whether the requested information is excepted under the Act, you state release of this information may implicate the proprietary interests of the Southwest Institute for Addictive Diseases ("SWIAD"). Accordingly, you state, and provide documentation showing, you notified SWIAD of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See Gov't Code § 552.305(d); see also Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances).* We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code § 552.305(d)(2)(B).* As of the date of this letter, we have not received comments from SWIAD explaining why the submitted information should not be released. Therefore, we have no basis to conclude SWIAD has a protected proprietary interest in the submitted

information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest SWIAD may have in the information.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Upon review, the city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Paige Thompson
Assistant Attorney General
