Dear Ms. Winn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 521396.

The Travis County Sheriff's Office (the "sheriff's office") received a request for the requestor's L-2 Declaration of Medical Condition, L-3 Declaration of Psychological and Emotional Health, and DPS/FBI fingerprint return. You state the sheriff's office has no responsive DPS/FBI fingerprint return.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. The submitted information contains L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by the Texas Commission on Law Enforcement Officer Standards and Education ("TCLEOSE"). These forms are confidential under section 1701.306 of the Occupations Code, which is encompassed by section 552.101 of the Government Code. Section 1701.306 provides the following:

(a) [TCLEOSE] may not issue a license to a person unless the person is examined by:

¹We note the Act does not require a governmental body to release information that did not exist when it received a request or to create responsive information. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

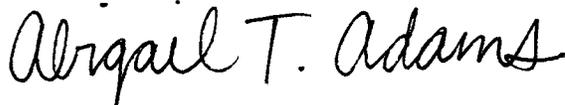

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCLEOSE]. A declaration is not public information.

Occ. Code § 1701.306(a)-(b). Therefore, the sheriff's office must withhold the submitted L-2 and L-3 declaration forms under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.²

²As our ruling is dispositive for this information, we need not address your argument against its disclosure. We note Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including L-2 and L-3 declarations under section 552.101 of the Government Code in conjunction with section 1701.306(b) of the Occupations Code, without the necessity of requesting an attorney general decision.
