Dear Mr. Anderle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 522682.

The Southlake Department of Public Safety (the "department"), which you represent, received a request for information pertaining to a specified incident report. The department states it has provided some of the requested information to the requestor, but claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code reads, which provides in relevant part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

- (1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child[.]

Fam. Code § 58.007(c), (e), (j)(1). Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. Section 58.007 allows the review or copy of juvenile law enforcement records by a child's parent or guardian. *Id.* § 58.007(e). However, any personally identifiable information concerning another juvenile suspect, offender, victim, or witness must be redacted. *Id.* § 58.007(j)(1).

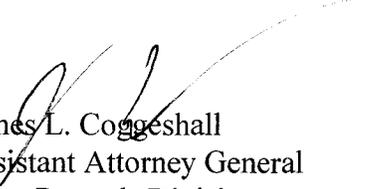

The submitted documents involve alleged juvenile delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. *See id.* §§ 51.02(2) (for purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age when the conduct occurred), .03(a), (b) (defining "delinquent conduct" and "conduct indicating a need for supervision" for purposes of section 58.007). The requestor is a parent of one of the juvenile offenders and, therefore, the information pertaining to the requestor's child may not be withheld under section 552.101 of the Government Code on that ground. *See id.* § 58.007(e). However, we agree the department

must withhold the personally identifiable information concerning the other juvenile offenders and a juvenile witness, which we have marked, under section 552.101 of the Government Code in conjunction with section 58.007(j)(1) of the Family Code. *See id.* § 58.007(j)(1). The department must release the remaining information.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
