GREG ABBOTT

May 20, 2014

Ms. Cheryl Elliott Thornton  
Assistant Harris County Attorney  
1019 Congress, 15th Floor  
Houston, Texas 77002

OR2014-08594

Dear Ms. Thornton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523377 (C.A. File No. 14PIA0087).

The Harris County Institute of Forensic Sciences (the "institute") received a request for a specified autopsy report.<sup>1</sup> You claim that the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code. We have considered the exceptions you claim.

We must address the responsibilities of the institute under the Act. Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body that receives a request for information it wishes to withhold under an exception to disclosure is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). As of the date of this letter, you have not submitted a copy of the written request, general written comments stating the reason

<sup>1</sup>As you did not submit the requestor's written request for information, we take our description from your brief.

why the claimed exceptions apply, or a copy or representative sample of the specific information requested. Consequently, we find the institute failed to comply with the requirements of section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption that the requested information is public and must be released. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* ORD 630. Because you failed to comply with the requirements of the Act, the institute has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 665 at 2 n.5 (2000) (untimely request for decision results in waiver of discretionary exceptions). Although the institute also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
