Ms. Josette Flores
Assistant City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950

OR2014-09120

Dear Ms. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523935 (El Paso Reference No. 14-1006-285).

The City of El Paso (the "city") received a request for information pertaining to specified violations by Newell Recycling. You claim the requested information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated

on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show that the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, prior to the city's receipt of this request, the city was a party to pending litigation, case number 33-351-736, in the city's municipal court. You further state the submitted information is related to the pending litigation because it pertains to the claims in the litigation. Upon review of your arguments and the information at issue, we find the submitted information relates to pending litigation to which the city was a party when the city received this request for information. Accordingly, we find section 552.103 is generally applicable to the submitted information.

However, we note the opposing party in the anticipated litigation has seen or had access to some of the information at issue. The purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties to obtain information relating to litigation through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to litigation, through discovery or otherwise, then there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Therefore, the information we have marked is not protected by section 552.103 and may not be withheld on that basis. We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982). Accordingly, with the exception of the information we have marked, the city may withhold the submitted information under section 552.103 of the Government Code.

We note some of the remaining information is subject to section 552.130 of the Government Code.¹ Section 552.130 excepts from disclosure information that relates to a motor vehicle operator's license or driver's license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See* Gov't Code § 552.130(a)(1)-(2). review, we find the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, except for the information we have marked, the city may withhold the submitted information under section 552.103 of the Government Code. In releasing the information we have marked, the city must withhold the information we have marked under section 552.130 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
