Mr. John K. McKinney, Jr.  
Assistant County Attorney  
Montgomery County  
501 North Thompson, Suite 102  
Conroe, Texas 77301

OR2014-09380

Dear Mr. McKinney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 529609 (County Open Records Request File No. 14PIA00205).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information regarding a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.*

---

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

§§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). We note the submitted information includes a citation, which we have marked. Because the individual who was cited received a copy of the citation, we find release of the citation will not interfere with the detection, investigation, or prosecution of crime. Therefore, the sheriff's office may not withhold the citation under section 552.108(a)(1). The sheriff's office states the remaining information relates to a pending criminal prosecution. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the marked citation and basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>2</sup>

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.<sup>3</sup> *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, with the exception of the marked citation and basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code. In releasing the citation, the sheriff's office must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup>As our ruling is dispositive for this information, we need not address your remaining argument against its disclosure.

<sup>3</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
