Dear Ms. Chappell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 526697.

The Beaumont Independent School District (the "district"), which you represent, received a request for all grievances filed by a named individual for a specified period of time. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). By its terms, section 552.108 applies only to a law enforcement agency or prosecutor. A school district is not a law enforcement agency. This office has concluded, however, section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending

case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. Although you raise section 552.108(a)(1) for the submitted information, you have not provided our office with a representation from any law enforcement agency that wishes the information to be withheld. Accordingly, the district has failed to demonstrate section 552.108(a)(1) of the Government Code is applicable to the submitted information, and the district may not withhold any portion of it under that exception.

Some of the submitted information may be subject to section 552.117 of the Government Code.¹ Section 552.117(a)(1) excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of current or former employees or officials of a governmental body who request this information be kept confidential under section 552.024 of the Government Code. *See* Gov't Code § 552.117(a)(1). We note a post office box number is not a "home address" for purposes of section 552.117(a). *See* Open Records Decision No. 622 at 4 (1994) (legislative history makes clear that purpose of Gov't Code § 552.117 is to protect public employees from being harassed at home). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the individual whose information we marked timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

In summary, to the extent the individual whose information we marked timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code. To the extent the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1). The district must release the remaining information.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
