

ATTORNEY GENERAL OF TEXAS

Ms. Suzanne West
City Attorney
City of Del Rio

Del Rio, Texas 78840

OR2014-10783

Dear Ms. West:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 528180.

The City of Del Rio (the "city") received a request for arrest records pertaining to a named individual during a specified period of time. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses the common-law right to privacy, which protects information if it (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be met. *Id.* at 681-82. A compilation of an individual's criminal history is highly embarrassing information, the publication of which would be highly objectionable to a reasonable person. *Cf. U.S. Dep't of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 764 (1989) (finding significant privacy interest in compilation of individual's criminal history by recognizing distinction between

information). Furthermore, we find a compilation of a private citizen's criminal history is generally not of legitimate concern to the public.

The present request seeks arrest records pertaining to a named individual. This request requires the city to compile unspecified law enforcement records concerning the named individual, thus implicating such individual's right to privacy. Therefore, to the extent the city maintains any law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, the city must withhold such information under section 552.101 of the Government Code in conjunction with common-law privacy.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
