

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 9, 2014

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2014-11795

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 533922 (COSA File No. W028509).

The City of San Antonio (the "city") received a request for information regarding a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See Gov't Code § 552.304* (interested party may submit comments stating why information should or should not be released).

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022 provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). The submitted information includes search warrants that are subject to section 552.022(a)(17). You seek to withhold this information under section 552.108 of the Government Code. However, section 552.108 is a discretionary exception that protects a governmental body's interests and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the search warrants may not be withheld under section 552.108 of the Government Code. We will address section 552.108 for the information not subject to section 552.022.

We also note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 crash report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under the general exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the city must release this report in its entirety to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the remaining submitted information will interfere with a pending criminal investigation and prosecution. Based on this representation, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning. A copy of this form has been provided to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or

prosecution of crime. See Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Accordingly, with the exception of the DIC-24 form and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.130 provides in relevant part:

(a) Information is excepted from the requirements of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country; [or]
- (2) a motor vehicle title or registration issued by an agency of this state or another state or country[.]¹

Gov't Code § 552.130(a)(1), (2). The city must withhold the information we have marked under section 552.130 in the DIC-24 form and search warrants.

In summary, the city must release the submitted CR-3 accident report under section 550.065(c) of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, which must be withheld, the search warrants and DIC-24 form must be released. Except for basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
