Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 532030 (Reference Nos. 14-602 and 14-647).

The Cedar Park Police Department (the "department") received two requests from the same requestor for information pertaining to an accident involving the requestor's client. You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). You state, and we agree, portions of the submitted video recordings contain information subject to section 552.130 of the Government Code. You state the department does not have the technological capability to redact the motor vehicle record information from the recordings at issue. Accordingly, the department must withhold the submitted information in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
