

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 13, 2014

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2014-14139

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 537740 (COSA File No. W029803).

The City of San Antonio (the "city") received a request for police report number 14131191 regarding a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information relates to an active investigation. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. The Statutory Warning and Notice of Suspension have previously been provided to the arrestee. Because copies of these documents have previously been released to the arrestee, we find you have not shown how release of the documents will

interfere with the detection, investigation, or prosecution of crime. See Gov't Code § 552.108(a)(1). As the remaining information at issue has not been previously released, we find the city has demonstrated release of this information would interfere with the detection, investigation, or prosecution of crime.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the city must release the DIC-24 Statutory Warning and DIC-25 Notice of Suspension. With the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles
Assistant Attorney General
Open Records Division
