Ms. Gretchen Reuwer  
Officer for Public Information  
New Braunfels Utilities  
P.O. Box 310289

OR2014-14316

Dear Ms. Reuwer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 532932.

New Braunfels Utilities ("NBU") received a request for names and usages information at a specified address during a specified time period. You claim the submitted information is excepted from disclosure under section 552.133 of the Government Code. You also state you notified a named individual, Brookfield MH Community, and Brookfield Management of the request for information and of their rights to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (providing that interested party may submit written comments regarding why information should or should not be released). We have received comments from Brookfield Management and the requestor. We have considered the submitted arguments and reviewed the submitted information.

Section 552.133 of the Government Code excepts from disclosure a public power utility's information that is "reasonably related to a competitive matter." *Id.* § 552.133(b). Section 552.133 provides in relevant part:

(a) In this section, “public power utility” means an entity providing electric or gas utility services that is subject to the provisions of this chapter.

(a-1) For purposes of this section, “competitive matter” means a utility-related matter that is related to the public power utility’s competitive activity, including commercial information, and would, if disclosed, give advantage to competitors or prospective competitors. The term:

(1) means a matter that is reasonably related to the following categories of information:

...

(F) customer billing, contract, and usage information, electric power pricing information, system load characteristics, and electric power marketing analyses and strategies[.]

*Id.* § 552.133(a), (a-1)(1)(F). Section 552.133(a-1)(2) provides fifteen categories of information that are not competitive matters. *Id.* § 552.133(a-1)(2).

We understand NBU is a municipally owned utility for the purposes of section 552.133. You assert the responsive information pertains to the public power utility’s “competitive customer information.” You indicate the submitted information pertains to NBU’s competitive activity, specifically identified by subsection 552.133(a-1)(1)(F). Further, the submitted information is not among the fifteen categories of information expressly excluded from the definition of “competitive matter” by section 552.133(a-1)(2). Based on your representations and our review, we find the submitted information relates to competitive matters as defined by section 552.133(a-1). Thus, we conclude NBU must withhold the submitted information under section 552.133 of the Government Code.<sup>1</sup>
