

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 15, 2014

Mr. Joseph L. Parks  
Executive Director  
Plano Independent School District  
2700 West 15<sup>th</sup> Street  
Plano, Texas 75075

OR2014-14352

Dear Mr. Parks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 532930 (PISD Ref. No. 2014-111).

The Plano Independent School District (the "district") received a request for a specified investigation report. You state the district will redact information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.<sup>1</sup> We understand the district will also redact a partial social security number pursuant to section 552.147(b) of the Government Code.<sup>2</sup> You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."

---

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

<sup>2</sup>We note section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

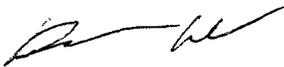

Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355(a). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You contend the submitted information consists of records that contain findings that concern the conduct and performance of a teacher. We understand the teacher at issue was engaged in the process of teaching at the time of the evaluations and you inform us the teacher at issue held a teaching certificate under chapter 21 of the Education Code at the time of the evaluations. Upon review, we find the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
