Dear Ms. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 532906.

The Austin Discovery School (the "school"), which you represent, received a request for specified documents pertaining to a grievance determination. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 21.355 of the Education Code. Section 21.355(a) provides "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). Additionally, the Third Court of Appeals has concluded that a written reprimand constitutes an evaluation for purposes of section 21.355 as it "reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *Abbott v. N.E. Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher. See Open Records Decision No. 643 at 3 (1996). We also determined a "teacher" for purposes of section 21.355 means a person who (1) is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of

the Education Code or a school district teaching permit under section 21.055 and (2) is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You state the submitted information evaluates the performance of a teacher who held the appropriate certificate at the time of the evaluation. Upon review, we find the submitted information consists of “[a] document evaluating the performance of a teacher or administrator” as contemplated by section 21.355. *See* Educ. Code § 21.355(a). Accordingly, we conclude the school must withhold the submitted information based on section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
