Ms. Ramona Soto
Office of Legal Services

OR2014-14844

Dear Ms. Soto:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 533701.

The Fort Worth Independent School District (the "district") received three requests for information pertaining to the superintendent's annual evaluation and letter of resignation. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, such as section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355. In Open Records Decision No. 643 (1996), this office interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* ORD 643 at 3. Additionally, we determined that for the purposes of section 21.355, the word "administrator" means a person who is required to and does in fact hold an administrator's certificate under subchapter B of chapter 21 of the Education Code, and is performing the

functions of an administrator, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

You contend that the submitted information constitutes a confidential evaluation of the superintendent by the district's board of trustees. You inform us, and provide documentation showing, that the superintendent was certified as an administrator and was acting as an administrator at the time the evaluation was prepared. Based on your representations and our review, we conclude the information at issue is confidential under section 21.355 of the Education Code and must be withheld under section 552.101 of the Government Code on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
