Mr. Matthew M. Coleman  
Counsel for the Mission Consolidated Independent School District  
Eichelbaum Wardell Hansen Powell & Mehl, P.C.  
4201 West Parmer Lane, Suite A-100  
Austin, Texas 78727

OR2014-15128

Dear Mr. Coleman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 534705.

The Mission Consolidated Independent School District (the "district"), which you represent, received a request for copies of any application and certification for payment submitted by DKIII including backup documentation for the Mission Veterans Field House Project. You claim the requested information is excepted from disclosure under section 552.103 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.103 of the Government Code provides:

---

<sup>1</sup>Although you also raise section 552.101 of the Government Code in conjunction with section 552.103 of the Government Code, this office has concluded section 552.101 does not encompass other exceptions found in the Act. *See* Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990).

<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

You state, and provide documentation showing, that prior to the date the district received the instant request for information, the district was engaged in a lawsuit with the requestor. Based on your representations and our review, we determine litigation was pending when the district received the request for information. Additionally, we agree the submitted information relates to the pending litigation. Therefore, we conclude section 552.103 of the Government Code is applicable to the submitted information. As such, the district may withhold the requested information under section 552.103 of the Government Code.

We note, however, once the information at issue has been obtained by all parties to the pending litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to the information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, any information obtained from or provided to all other parties in the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
