Dear Ms. Weber:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 540067 (ORR# W016720).

The City of Arlington (the "city") received a request for the requestor's L-2 and L-3 forms. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. The submitted information consists of L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by the Texas Commission on Law Enforcement ("TCOLE").¹ These forms are confidential under section 1701.306 of the Occupations Code, which is encompassed by section 552.101 of the Government Code. Section 1701.306 provides the following:

¹The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. See Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

(a) [TCOLE] may not issue a license to a person unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

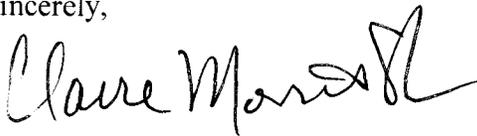

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Occ. Code § 1701.306(a)-(b). Therefore, the city must withhold the submitted L-2 and L-3 declaration forms under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.
