Mr. John K. McKinney, Jr.  
Assistant County Attorney  
Open Records Division  
Montgomery County  
501 North Thompson, Suite 300

OR2014-16519

Dear Mr. McKinney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 536485 (PIR #14PIA0309).

The Montgomery County Sheriff's Department (the "sheriff's department") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

---

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted information was used in an investigation of alleged child abuse under chapter 261 of the Family Code. *See id.* §§ 261.001 (defining “abuse” for purposes of chapter 261 of the Family Code), 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). You do not indicate the sheriff’s department has adopted any rules that would permit the release of the submitted information. Therefore, we assume no such regulation exists. Given that assumption, we find the submitted information is subject to chapter 261 of the Family Code. Therefore, we conclude the submitted information is confidential pursuant to section 261.201 of the Family Code and must be withheld under section 552.101 of the Government Code.<sup>2</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).
