Ms. M. Ann Montgomery-Moran  
Assistant County and District Attorney  
County of Ellis  
109 South Jackson  
Waxahachie, Texas 75165

OR2014-17370

Dear Ms. Montgomery-Moran:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 537835.

The Ellis County Sheriff's Office (the "sheriff's office") received two requests from the same requestor for all records for the requestor's client, including medical records, psychiatric records, and psychological records. You claim portions of the submitted information are excepted from disclosure under sections 552.101 and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses chapter 411 of the Government Code, which makes confidential criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. *See Id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See Gov't Code* § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.*

§ 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See ORD 565.* Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F of the Government Code. However, section 411.083 does not apply to active warrant information or other information relating to an individual's current involvement in the criminal justice system. Gov't Code § 411.081(b) (police department allowed to disclose information pertaining to person's current involvement with criminal justice system). Upon review, we find the information we have marked consists of CHRI the sheriff's office must withhold under section 552.101 in conjunction with section 411.083 of the Government Code and federal law.

Section 552.101 of the Government Code also encompasses article 62.005(b) of the Code of Criminal Procedure. Article 62.051 of the Code of Criminal Procedure requires a sex offender registrant to provide the following information for the Texas Department of Public Safety sex offender registration database: the person's full name; date of birth; sex; race; height; weight; eye color; hair color; social security number; driver's license number; shoe size; home address; each alias; home, work, or cellular telephone number; a recent color photograph, or if possible, an electronic image of the person; a complete set of fingerprints; the type of offense the person was convicted of; the age of the victim; the date of conviction; the punishment received; an indication as to whether the person is discharged, paroled, or released on juvenile probation, community supervision, or mandatory supervision; an indication of each license, as defined by article 62.005(g), that is held or sought by the person; an indication as to whether the person is or will be employed, carrying on a vocation, or a student at a particular public or private institution of higher education in this state or another state, and the name and address of that institution; the identification of any online identifier established or used by the person; and any other information required by the department. *See Crim. Proc. Code art. 62.051(c).* This information is public information with the exception of the person's social security number; driver's license number; home, work, or cellular telephone number; the identification of any online identifier established or used by the person; all information required by the DPS outside of the enumerated categories of information including any information regarding an employer's name, address, or telephone number; and any information that would identify the victim of the offense for which the person is subject to registration. *See id.* art. 62.005(b). Thus, the sheriff's office must withhold or release the information subject to article 62.005 of the Code of Criminal Procedure, which we have marked, in accordance with article 62.005(b).

Section 552.101 of the Government Code also encompasses the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. *See Occ. Code §§ 151.001-168.202.* Section 159.002 of the MPA provides, in relevant part:

(a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

*Id.* § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Upon review, we find the information we have marked constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician and information obtained from a patient's medical records. Accordingly, the sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with the MPA.<sup>1</sup>

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See Id.* § 552.137(a)-(c). Section 552.137 is not applicable to an institutional e-mail address, an Internet website address, or an e-mail address that a governmental entity maintains for one of its officials or employees. Upon review we find the remaining information contains only an e-mail address subject to section 552.137(c). Accordingly, the sheriff's office may not withhold any of the remaining information under section 552.137 of the Government Code.

In summary, the sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law. The sheriff's office must also withhold the information

(MPA does not provide general right of access to medical records from governmental body responding to a request for information under the Public Information Act).

we marked under section 552.101 of the Government Code in conjunction with the MPA. The sheriff's office must withhold or release the information subject to article 62.005 of the Code of Criminal Procedure, which we have marked, in accordance with article 62.005(b). The remaining information must be released.<sup>2</sup>
