

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 2, 2014

Mr. Andrew Quittner
City Attorney
City of Seguin
205 North River Street
Seguin, Texas 78155

OR2014-17579

Dear Mr. Quittner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 538860.

The City of Seguin (the "city") received a request for a report related to a specified incident.¹ You state you have already released some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the information is confidential under the Act or other law. Gov't Code § 552.022(a)(17). We have marked the court-filed documents subject to section 552.022(a)(17). Although you seek to withhold these documents under section 552.108 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body's interests and does

¹We note the city sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (if a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the court-filed documents, which we have marked, may not be withheld under section 552.108. However, we note portions of the court-filed documents are subject to section 552.130, which makes information confidential under the Act.² Thus, we will address the applicability of section 552.130 to the information subject to section 552.022(a)(17).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation. We note the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov’t Code* § 552.108(a)(1). Accordingly, the DIC-24 and DI-25 forms may not be withheld under section 552.108. However, based upon your representation, we conclude release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department must release basic information, including a detailed description of the offense, even if this information does not literally appear on the front page of an offense or arrest report. Thus, with the exception of the court-filed documents, the DIC-24 and DIC-25 forms, and basic information, the city may withhold the remaining information from disclosure under section 552.108(a)(1).

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

We note the court-filed documents and DIC-24 and DIC-25 forms contain driver's license information subject to section 552.130 of the Government Code. Section 552.130 provides information relating to a motor vehicle operator's license or driver's license issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a)(1). Accordingly, the city must withhold the driver's license information we have marked under section 552.130 of the Government Code.

In summary, with the exception of the court-filed documents, the DIC-24 and DIC-25 forms, and the basic information, the city may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code. The city must withhold the information we have marked under section 552.130(a)(1) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
