Ms. Cynthia Rincón
Fort Bend Independent School District

OR2014-18381

Dear Ms. Rincón:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545085 (ORR# 2014-15-236).

The Fort Bend Independent School District (the "district") received a request for a specified district police department report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c), which provides as follows:

Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), a “child” is defined as a person ten years of age or older and under seventeen years of age. *Id.* § 51.02(2)(A). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party; it is only applicable to juveniles listed as suspects or offenders. *See id.* §§ 58.007, 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). We have reviewed the submitted information and find that the submitted report does not identify a juvenile suspect or offender for purposes of section 58.007. Accordingly, we find that you have not demonstrated the applicability of section 58.007(c) of the Family Code. Thus, you may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

We note some of the submitted information is subject to section 552.130 of the Government Code.¹ Section 552.130 provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov’t Code* § 552.130(a). Accordingly, the district must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos.* 481 (1987), 480 (1987), 470 (1987).
