

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

October 14, 2014

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2014-18409

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539511 (COSA File No. W030144).

The City of San Antonio (the "city") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedural obligations that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(b) requires that a governmental body ask for a decision from this office and state which exceptions apply to the requested information by the tenth business day after receiving the request. Gov't Code § 552.301(b). You state the city received the request for information on July 23, 2014. Accordingly, the city's ten-business-day deadline was August 6, 2014. However, the envelope in which the city provided the information required by section 552.301(b) was meter-marked August 7, 2014. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, the city violated section 552.301(b).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption that the information is public and must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. *See* Open Records Decision No. 150 at 2 (1977). We note section 552.108 of the Government Code is discretionary in nature. This exception serves only to protect a governmental body's interests, and may be waived; as such, it does not constitute a compelling reason to withhold information for purposes of section 552.302. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, no portion of the submitted information may be withheld under section 552.108. However, we note the submitted information contains motor vehicle record information subject to section 552.130 of the Government Code.<sup>1</sup> Because section 552.130 provides a compelling reason to withhold information, we will address its applicability to the submitted information.

Next, we note the submitted information includes two CR-3 accident reports completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). However, section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. In this instance, the requestor has provided the city with the required information pursuant to section 550.065(c)(4). Accordingly, the submitted CR-3 accident reports must be released to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license, title, or registration issued by a Texas agency, or an agency of another state or country, is excepted from public release. *See* Gov't Code § 552.130(a)(1)-(2). The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

---

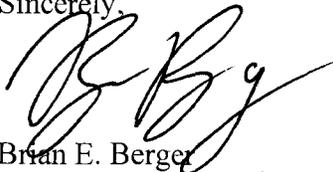

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, the submitted CR-3 accident reports must be released to this requestor pursuant to section 550.065(c)(4) of the Transportation Code. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
