Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539409.

The Mesquite Police Department (the "department") received a request for five categories of information pertaining to off-duty employment of department personnel. You state the department will release most of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes such as section 143.089 of the Local Government Code. You state the City of Mesquite is a civil service city under chapter 143 of the Local Government Code. Section 143.089 requires a civil service city to maintain two different types of personnel files relating to a police officer: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). Information that reasonably relates to an officer's employment relationship with the police department is maintained in a police department's internal file pursuant to section 143.089(g). This file is confidential and must not be released. *See City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San

Antonio 2000, pet. denied); *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied). You state the submitted information is maintained in the department's internal personnel files for the officers at issue under section 143.089(g). Based on your representation and our review, we find the submitted information is confidential under section 143.089(g) of the Local Government Code. Thus, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
