

ATTORNEY GENERAL OF TEXAS

Ms. Lauren F. Crawford
First Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2014-18741

Dear Ms. Crawford:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539748.

The City of Bryan (the "city") received a request for the certificate of general liability for a specified contractor covering a specified date. You claim the submitted information is excepted from disclosure under sections 552.110 and 552.136 of the Government Code.¹ You further indicate release of the submitted information may implicate the proprietary interest of Larry Young Paving, Inc. ("Larry Young"). You provide documentation demonstrating you notified Larry Young of the request for information and of its right to submit arguments to this office explaining why its information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have considered the exceptions you claim and reviewed the submitted information.

¹Although you raise section 552.101 of the Government Code in conjunction with section 552.110 of the Government Code, this office has concluded section 552.101 does not encompass other exceptions found in the Act. *See* Open Records Decision Nos. 676 at 1-2 (2002), 575 at 2 (1990).

The city contends the submitted information is excepted from disclosure under section 552.110 of the Government Code. Section 552.110 protects (1) trade secrets and (2) commercial or financial information the disclosure of which would cause substantial competitive harm to the person from whom the information was obtained. *See* Gov't Code § 552.110(a)-(b). We note section 552.110 protects the interests of private parties that provide information to governmental bodies, not the interests of governmental bodies themselves. *See generally* Open Records Decision No. 592 (1991). Accordingly, we do not consider the city's arguments under section 552.110.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Larry Young explaining why the submitted information should not be released. Therefore, we have no basis to conclude the third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Larry Young may have in the information.

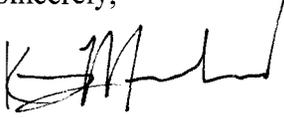

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Upon review, the city must withhold the insurance policy numbers we have marked under section 552.136 of the Government Code. As no further exceptions to disclosure have been raised, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
