Dear Ms. Sessums:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 546271.

The Wise County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified address during a specified time period. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note that the submitted information includes criminal trespass warnings. Because copies of the warnings were provided to the individuals who were warned, we find release of the warnings will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Therefore, the sheriff's office may not withhold the criminal trespass warnings under section 552.108(a)(1).

You state the remaining information relates to a pending criminal case and release of the information would interfere with the prosecution of the case. Based on these representations

and our review, we find the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

As you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See Houston Chronicle*, 531 S.W.2d at 186-88. The sheriff's office must release basic information, even if the information does not literally appear on the front page of an offense or arrest report. *See Open Records Decision No. 127 at 3-4 (1976)* (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the criminal trespass warnings and basic information, which must be released, the sheriff's office may withhold the submitted information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
