Re: Request for a list of all tickets, warrants and arrest records for named individual;  
WPD #14-1178; city reference #LGL-14-261

Dear Ms. Benton:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 547915.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. First, we marked information that is not responsive to the request because it does not involve the person named in the request. You need not release information that is not responsive to the request. You claim the requested information must be withheld from the requestor. A request to compile an individual's criminal history implicates this person's privacy. We have concluded such a compilation is highly embarrassing information and is generally not of legitimate concern to the public. Therefore, to the extent you maintain law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, you must withhold the requested information under section 552.101 of the Government Code in conjunction with common-law privacy.

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
