OR2014-19194

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 540611 (TEA PIR#s 22580 and 22581).

The Texas Education Agency (the "agency") received two requests from the same requestor for information concerning an audit of Donna Independent School District. You state some information does not exist.¹ You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.116 of the Government Code provides the following:

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) An audit, working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116(a), (b)(1)-(2). You state the submitted information consists of audit working papers that were prepared or are maintained by the agency's Division of Grants and Federal Fiscal Compliance in conjunction with audits of grant recipients. You inform us these audits were conducted under the authority granted to the agency by section 7.021(b)(1) of the Education Code, subsections 7.028(a)(1) and (a)(2) of the Education Code, section 76.770 of title 34 of the Code of Federal Regulations and subpart D of Office of Management and Budget Circular A-133. *See* Educ. Code §§ 7.021(b)(1) (agency shall administer and monitor compliance with education programs), .028 (a)(1), (a)(2) (agency may monitor program to ensure compliance with federal law and grant requirements); 34 C.F.R. § 76.770 (state shall perform state determined procedures and evaluations to ensure subgrantee compliance with statutes and regulations). Based on your representations and our review, we agree the submitted information consists of audit working papers for purposes

of section 552.116 of the Government Code. Accordingly, the agency may withhold the submitted information under section 552.116 of the Government Code.
