Ms. Laura Russell
Attorney
Texas Parks & Wildlife Department

OR2014-19501

Dear Ms. Russell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 547607 (ORR# 2014-09-R75).

The Texas Parks and Wildlife Department (the "department") received a request for a specified report and investigation. You state the department has released the basic information pertaining to the submitted report. *See* Gov't Code § 552.108(c) (basic information about an arrest, arrested person, or crime cannot be withheld under section 552.108). You claim some of the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state, and have provided documentation demonstrating, the Comal County Criminal District Attorney's Office has advised the submitted information is related to an active criminal prosecution and objects to disclosure of the information at issue because its release would interfere with the prosecution. We note the information at issue includes a citation, which we have marked. Because a copy of the citation was provided to the individual who was cited, we find release of the citation will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). We therefore conclude the citation may not be withheld under section 552.108(a)(1). Based on your representation and our review, we conclude the release of the remaining information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the remaining information at issue, which you have marked, under section 552.108(a)(1) of the Government Code.

We note portions of the citation and the remaining information are subject to section 552.130 of the Government Code.² Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information you marked, and the additional information we have marked, under section 552.130 of the Government Code.

In summary, with the exception of the marked citation, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must withhold the motor vehicle record information you marked, and the

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

additional information we marked, under section 552.130 of the Government Code. The department must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
