Ms. LeAnn M. Quinn  
City Secretary  
City of Cedar Park  
450 Cypress Creek Road  
Cedar Park, Texas 78613

OR2014-19702

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545173.

The City of Cedar Park (the "city") received a request for dashcam video and other information pertaining to a specified incident, including the number of times the requestor's name and license plate number have been run through the city's database. The city states it has made some of the requested information available to the requestor, but claims the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. The submitted video recording contains motor vehicle record information that is subject to section 552.130. The city states it lacks the technical capability to redact the information subject to section 552.130 from the video recording. Based on this representation, we agree the city must withhold the submitted video recording in its entirety under section 552.130.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
