Ms. Heather Silver
Assistant City Attorney
City of Dallas

OR2014-19740

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542498.

The City of Dallas (the "city") received a request for all city Department of Aviation records pertaining to unsolicited bids related to the former Dalfort Aerospace or any bids related to specified properties during a specified period of time.¹ Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Hamilton Street Fund, LLC ("Hamilton"). Accordingly, you state, and provide documentation showing, you notified Hamilton of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Hamilton explaining why the submitted information should not be released. Therefore, we

¹We note, and you acknowledge, the city did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, the interests of a third party can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* § 552.302; Open Records Decision No. 150 at 2 (1977). Because third-party interests are at stake in this instance, we will consider whether the information at issue must be withheld under the Act.

have no basis to conclude Hamilton has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest Hamilton may have in the information. As no exceptions to disclosure have been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Nicholas A. Ybarra
Assistant Attorney General
