OR2014-19777

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542112.

Hunt County (the "county"), which you represent, received a request for information pertaining to criminal cases filed against a named deceased individual. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 611.002 of the Health and Safety Code, which makes certain mental health record information confidential. Section 611.002 provides in pertinent part the following:

- (a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.
- (b) Confidential communications or records may not be disclosed except as provided by section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b). Section 611.001 defines a “professional” as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Upon review, we find none of the submitted information consists of communications between a patient and a professional or records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional. Accordingly, the county may not withhold any of the submitted information under section 552.101 of the Government Code on the basis of section 611.002 of the Health and Safety Code.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See Gov’t Code* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See Gov’t Code* § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F of the Government Code. Additionally, because the laws that govern the dissemination of information obtained from NCIC and TCIC are based on both law enforcement and privacy interests, the CHRI of a deceased individual that is obtained from a criminal justice agency may be disseminated only as permitted by subchapter F of chapter 411 of the Government Code. *See ORD 565* at 10-12. We also note Federal Bureau of Investigation (“FBI”) numbers constitute CHRI generated by the FBI. We further note CHRI does not include driving record information. *See id.* § 411.082(2)(B). Lastly, we note section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the criminal justice system). Upon review, we find some of the submitted information, which we have marked, consists of CHRI that is confidential under section 411.083. Thus, the county must withhold the information we have marked under section 552.101 in conjunction with section 411.083 of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal

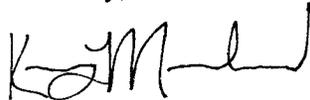

identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See id.* § 552.130. Upon review, we find the county must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the county must withhold the information we have marked under section 552.101 in conjunction with section 411.083 of the Government Code. The county must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released.
