Ms. Maria Gonzalez
City Secretary
City of Missouri City

Missouri City, Texas 77489

OR2014-20400

Dear Ms. Gonzalez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542816.

The City of Missouri City (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information other statutes make confidential. You raise section 552.101 in conjunction with the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 U.S.C. §§ 1320d-1320d-8. At the direction of Congress, the Secretary of Health and Human Services ("HHS") promulgated regulations setting privacy standards for medical records, which HHS issued as the Federal Standards for Privacy of Individually Identifiable Health Information. *See* Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. § 1320d-2 (Supp. IV 1998) (historical & statutory note); Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. pts. 160, 164 ("Privacy Rule"); *see also* Attorney General Opinion JC-0508 at 2 (2002). These standards govern the releasability of protected health information by a covered entity. *See* 45 C.F.R. pts. 160, 164.

Under these standards, a covered entity may not use or disclose protected health information, except as provided by parts 160 and 164 of the Code of Federal Regulations. *See id.* § 164.502(a).

This office addressed the interplay of the Privacy Rule and the Act in Open Records Decision No. 681 (2004). In that decision, we noted section 164.512 of title 45 of the Code of Federal Regulations provides that a covered entity may use or disclose protected health information to the extent such use or disclosure is required by law and the use or disclosure complies with, and is limited to, the relevant requirements of such law. *See id.* § 164.512(a)(1). We further noted the Act “is a mandate in Texas law that compels Texas governmental bodies to disclose information to the public.” *See* ORD 681 at 8; *see also* Gov’t Code §§ 552.002, .003, .021. We, therefore, held the disclosures under the Act come within section 164.512(a). Consequently, the Privacy Rule does not make information confidential for the purpose of section 552.101 of the Government Code. *See Abbott v. Tex. Dep’t of Mental Health & Mental Retardation*, 212 S.W.3d 648 (Tex. App.—Austin 2006, no pet.); ORD 681 at 9; *see also* Open Records Decision No. 478 (1987) (as general rule, statutory confidentiality requires express language making information confidential). Thus, because the Privacy Rule does not make information that is subject to disclosure under the Act confidential, the city may not withhold any portion of the information at issue on this basis.

Section 552.101 of the Government Code encompasses section 773.091 of the Health and Safety Code, which provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

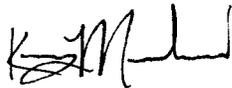

Health & Safety Code § 773.091 (b), (g). Except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091. *See id.* The submitted information consists of records created and maintained by EMS personnel. Upon review, we find section 773.091 is applicable to the information at issue. Thus, with the exception of the information subject to section 773.091(g), which is not confidential and must be released, the city must withhold

the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
