Dear Mr. Dang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542878.

The Houston Police Officers' Pension System (the "system") received a request for the most recent version of the contract governing the system's investment in Advent International GPE VI. You state the system does not have information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.104 and 552.143 of the Government Code. You also state release of this information may implicate the proprietary interests of Advent International Corporation ("Advent"). Accordingly, you have notified Advent of the request and of its right to submit arguments to this office as to why its information should not be released. *See* Gov't Code § 552.305(d) (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under certain circumstances). We have received comments from Advent. We have considered the submitted arguments and reviewed the submitted information.

We note some of the submitted information is subject to section 552.0225 of the Government Code. Section 552.0225(b) provides as follows:

---

<sup>1</sup>The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

We note some of the submitted information is subject to section 552.0225 of the Government Code. Section 552.0225(b) provides as follows:

The following categories of information held by a governmental body relating to its investments are public information and not excepted from disclosure under [the Act]:

- (1) the name of any fund or investment entity the governmental body is or has invested in;
- (2) the date that a fund or investment entity described by Subdivision (1) was established;
- (3) each date the governmental body invested in a fund or investment entity described by Subdivision (1);
- (4) the amount of money, expressed in dollars, the governmental body has committed to a fund or investment entity;
- (5) the amount of money, expressed in dollars, the governmental body is investing or has invested in any fund or investment entity;
- (6) the total amount of money, expressed in dollars, the governmental body received from any fund or investment entity in connection with an investment;
- (7) the internal rate of return or other standard used by a governmental body in connection with each fund or investment entity it is or has invested in and the date on which the return or other standard was calculated;
- (8) the remaining value of any fund or investment entity the governmental body is or has invested in;
- (9) the total amount of fees, including expenses, charges, and other compensation, assessed against the governmental body by, or paid by the governmental body to, any fund or investment entity or principal of any fund or investment entity in which the governmental body is or has invested;
- (10) the names of the principals responsible for managing any fund or investment entity in which the governmental body is or has invested;

(11) each recusal filed by a member of the governing board in connection with a deliberation or action of the governmental body relating to an investment;

(12) a description of all of the types of businesses a governmental body is or has invested in through a fund or investment entity;

(13) the minutes and audio or video recordings of each open portion of a meeting of the governmental body at which an item described by this subsection was discussed;

(14) the governmental body's percentage ownership interest in a fund or investment entity the governmental body is or has invested in;

(15) any annual ethics disclosure report submitted to the governmental body by a fund or investment entity the governmental body is or has invested in; and

(16) the cash-on-cash return realized by the governmental body for a fund or investment entity the governmental body is or has invested in.

Gov't Code § 552.0225(b). The system and Advent argue the submitted information is excepted under sections 552.104, 552.110, and 552.143 of the Government Code. However, the exceptions to disclosure found in the Act, including sections 552.104, 552.110, and 552.143, do not apply to information that is made public by section 552.0225. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Accordingly, the types of information enumerated in section 552.0225(b) of the Government Code must be released to the requestor.

Section 552.143 of the Government Code provides, in part, the following:

(a) All information prepared or provided by a private investment fund and held by a governmental body that is not listed in Section 552.0225(b) is confidential and excepted from [required public disclosure].

(b) Unless the information has been publicly released, pre-investment and post-investment diligence information, including reviews and analyses, prepared or maintained by a governmental body or a private investment fund is confidential and excepted from [required public disclosure], except to the extent it is subject to disclosure under Subsection (c).

Gov't Code § 552.143(a)-(b). You state the remaining information consists of information held by the system that was provided by Advent, a private investment fund for purposes of section 552.143. *See id.* § 552.143(d)(1). Accordingly, based on your representations and our

review, we agree that, with the exception of information the system must release pursuant to section 552.0225(b) of the Government Code, the system must withhold the submitted information under section 552.143 of the Government Code.<sup>2</sup>
