

ATTORNEY GENERAL OF TEXAS

Ms. Leticia Brysch  
City Clerk  
City of Baytown  
P.O. Box 424

OR2014-20721

Dear Ms. Brysch:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 542785 (PIR# 3185).

The Baytown Police Department (the "department") received a request for grant applications made to the Department of Homeland Security ("DHS"), information pertaining to equipment obtained through grants provided by DHS, grant applications or formal requests made to the Department of Defense ("DOD") under a specified program, and information pertaining to equipment obtained from DOD under the specified program for a specified period of time. You claim portions of the submitted information are excepted from disclosure under sections 552.101, 552.108, and 552.152 of the Government Code. Additionally, you state release of this information may implicate the proprietary interests of DHS. Accordingly, you state, and provide documentation showing, you notified DHS of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See Gov't Code § 552.304* (providing that interested party may submit comments stating why information should or should not be released). We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, including federal law. On November 25, 2002, the president signed the federal Homeland

Security Act (“HSA”). The HSA created the DHS and transferred the Transportation Security Administration (“TSA”), a new agency created in the Department of Transportation (“DOT”) the previous year to oversee the security of transportation, to DHS. *See* 6 U.S.C. §§ 111, 203.

In connection with the transfer of TSA to DHS, the HSA also transferred TSA’s authority concerning sensitive security information (“SSI”) under section 40119 of title 49 of the United States Code to section 114(r) of title 49 of the United States Code and amended section 40119 to vest similar SSI authority in the secretary of DOT.<sup>1</sup> Section 114(r) of title 49 states, in relevant part:

(1) Notwithstanding [the Federal Freedom of Information Act (the “FOIA”),] the Under Secretary [for Transportation Security, head of TSA] shall prescribe regulations prohibiting the disclosure of information obtained or developed in carrying out security under authority of the Aviation and Transportation Security Act . . . if the Under Secretary decides disclosing the information would –

(A) be an unwarranted invasion of personal privacy;

(B) reveal a trade secret or privileged or confidential commercial or financial information; or

(C) be detrimental to the security of transportation.

49 U.S.C. § 114(r)(1). This provision authorizes the TSA’s Under Secretary to prescribe regulations that prohibit disclosure of information requested not only under the FOIA, but also under other disclosure statutes. *Cf. Public Citizen, Inc. v. Federal Aviation Admin.*, 988 F.2d 186, 194 (D.C. Cir. 1993) (former section 40119 authorized Federal Aviation Administration administrator to prescribe regulations prohibiting disclosure of information under other statutes as well as under FOIA). Thus, the Under Secretary is authorized by section 114(r) to prescribe regulations that prohibit disclosure of information requested under the Act.

Pursuant to the mandate and authority of section 114 of title 49, TSA published regulations in title 49 of the Code of Federal Regulations that took effect June 17, 2004. *See* 69 Fed. Reg. 28066. Section 1520.1(a) of these regulations provides that the regulations govern the “maintenance, safeguarding, and disclosure of records and information that TSA has determined to be [SSI], as defined in § 1520.5.” 49 C.F.R. § 1520.1(a). Section 1520.7 states that the covered persons to which these regulations apply include, among others, to

<sup>1</sup>This ruling does not construe the parallel federal statutes and regulations that apply to DOT.

“[e]ach person who has access to SSI, as specified in § 1520.11.” *Id.* § 1520.7(j). Pursuant to section 1520.11(a), a person has a need to know SSI “[w]hen the person requires access to specific SSI to carry out transportation security activities approved, accepted, funded, recommended, or directed by DHS or DOT.” *Id.* § 1520.11(a). Section 1520.11(b)(1) further states that a local government employee, contractor, or grantee has a need to know SSI “if access to the information is necessary for performance of the employee’s official duties on behalf or in defense of” the interests of the local government. *Id.* § 1520.11(b)(1). Section 1520.11(b)(2) further states a local government employee, contractor, or grantee has a need to know SSI if the person is “acting in the performance of a . . . grant from” a federal government agency “if access to the information is necessary to performance of the . . . grant.” *Id.* § 1520.11(b)(2). Thus, the regulations in title 49 of the Code of Federal Regulations apply to the department.

As to the release of information by persons other than TSA, section 1520.9(a) of title 49 provides in part that a person to which these regulations apply has a duty to protect information and may disclose SSI “only to covered persons who have a need to know, unless otherwise authorized in writing by TSA, the Coast Guard, or the Secretary of DOT.” *Id.* § 1520.9(a)(2). Section 1520.9(a)(3) of title 49 further provides that those covered by the regulation must “[r]efer requests by other persons for SSI to TSA or the applicable component or agency within DOT or DHS.” *Id.* § 1520.9(a)(3). SSI is defined to include certain information obtained or developed in the conduct of security activities, the disclosure of which TSA has determined would constitute an unwarranted invasion of privacy, reveal trade secrets or privileged or confidential information obtained from any person, or be detrimental to the security of transportation. *Id.* § 1520.5(a). Section 1520.5(b) of title 49 specifically defines fifteen categories of SSI and provides SSI includes “[a]ny information not otherwise described in [section 1520.5] that TSA determines is SSI under 49 U.S.C. 114(s) or that the Secretary of DOT determines is SSI under 49 U.S.C. 40119.” *See id.* § 1520.5(b).

The submitted information consists of information pertaining to grant applications made to and grant funds received from DHS. We understand the submitted information consists of SSI. Based on the statutory and regulatory scheme described above, and our review, we conclude the decision to release or withhold the submitted information is not for this office or the department to make, but rather is a decision for the Under Secretary as head of the TSA. *See English v. Gen. Elec. Co.*, 496 U.S. 72, 79 (1990) (state law is preempted to extent it actually conflicts with federal law). Therefore, the department may not release the submitted information at this time under the Act, but instead must refer the information to the TSA to make a determination concerning disclosure of that information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
