Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545204.

The Nueces County Purchasing Office (the "county") received a request for information pertaining to a specified request for proposals. You state you will release some information to the requestor. Although you take no position as to whether the requested information is excepted under the Act, you state release of this information may implicate the proprietary interests of Liberty Resources, Inc. ("Liberty"). Accordingly, you state you notified Liberty of the request for information and of its right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Liberty explaining why the submitted information should not be released. Therefore, we have no basis to conclude Liberty has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent

disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold the submitted information on the basis of any proprietary interest Liberty may have in the information.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.”¹ Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Upon review, the county must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code.

We note some of the submitted information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the county must withhold the insurance policy numbers in the submitted information under section 552.136 of the Government Code. The remaining information must be released; however, any information protected by copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
