Mr. Bryan D. Snoddy
General Counsel
Texas Board of Chiropractic Examiners

OR2014-20948

Dear Mr. Snoddy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545875.

The Texas Board of Chiropractic Examiners (the "board") received a request for all files related to a specified chiropractor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, including section 201.206 of the Occupations Code which provides, in part, the following:

- (a) The board's investigation files are confidential, privileged, and not subject to discovery, subpoena, or any other means of legal compulsion for release other than to the board or an employee or agent of the board.

...

(d) Notwithstanding Subsection (a), the board may:

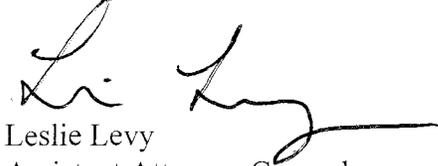

- (1) disclose a complaint to the affected license holder; and
- (2) provide to a complainant the license holder's response to the complaint, if providing the response is considered by the board to be necessary to investigate the complaint.

Occ. Code § 201.206(a), (d). Section 201.206 applies to all investigations pending or filed on or after September 1, 2003. *See* Act of May 9, 2003, 78th Leg., R.S., ch. 329, § 7(b), 2003 Tex. Gen. Laws 1405, 1407. The submitted information reveals the investigation file at issue was opened after September 1, 2003. We understand this investigation file concerns a complaint about a chiropractor licensed by the board and is maintained by the board pursuant to section 201.204. *See* Occ. Code § 201.204 (setting forth the board's record keeping requirements with respect to complaints filed with the board). Thus, we find the submitted information is part of the board's investigation file and section 201.206 governs release of this information. We have no indication the requestor is entitled to any of the information at issue under section 201.206(d). Therefore, the board must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 201.206 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
