Mr. John K. McKinney, Jr.
Open Records Division
Assistant County Attorney
Montgomery County
501 North Thompson Street, Suite 102
Conroe, Texas 77301

OR2014-21063

Dear Mr. McKinney:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 545518 (County File No. 14PIA0506).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for the incident report, offense report, and video recording of a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note you have not submitted any information responsive to the request for the incident report or the offense report for the incident. Although you state the sheriff's office has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the sheriff's office to withhold any information that is substantially different from the types of

¹This letter ruling assumes that the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize, the withholding of any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any information responsive to the request for the incident report or the offense report for the incident existed on the date the sheriff's office received the request, we assume you have released such information. If you have not released any such information to the requestor, you must do so at this time. Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license, driver's license, title, or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1), (2). You state the sheriff's office does not have the technological capability to redact the motor vehicle record information from the submitted video recording. Therefore, the sheriff's office must withhold the submitted video recording in its entirety and the additional motor vehicle record information we have marked in the remaining submitted information under section 552.130 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."² *Id.* § 552.101. This section encompasses the doctrine of common-law privacy, which protects information that is highly intimate or embarrassing, such that its release would be highly objectionable to a person of ordinary sensibilities, and of no legitimate public interest. *See Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both elements of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally intimate or embarrassing. *See generally* Open Records Decision Nos. 545 (1990) (deferred compensation information, participation in voluntary investment program, election of optional insurance coverage, mortgage payments, assets, bills, and credit history), 373 (1983) (sources of income not related to financial transaction between individual and governmental body protected under common-law privacy). Upon review, we find the information we have marked under common-law privacy satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, the sheriff's office must withhold the submitted video recording in its entirety and the additional motor vehicle record information we have marked in the remaining

submitted information under section 552.130 of the Government Code. The sheriff's office must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. c: Requestor
(w/o enclosures)

³We note the requestor has a right of access to some of the information being released. See Gov't Code § 552.023(a) (person or person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual asks governmental body to provide him with information concerning himself). Thus, the sheriff's office must again seek a decision from this office if it receives another request for the same information from another requestor.
