Dear Ms. Mares:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 544763 (McKinney ID No. 10-11647).

The McKinney Police Department (the "department"), which you represent, received a request for all records pertaining to a specified motor vehicle accident, including 9-1-1 recordings and tapes. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted video recordings. To the extent any additional information responsive to this request existed and was maintained by the department on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video

recordings contain information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record information from the video recordings at issue. Accordingly, the department must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
